Introduction

Welcome to Klub's summer program! We cannot wait to share this summer with your children. We have exciting things planned: field trips, themed camps, and staff who are excited to hang with your kids are just some of the things which make our camp the best out there.

General Programming

This is the general programming for each day:

Mondays, Wednesdays, Fridays	Tuesdays, Thursdays
7-9:30 AM - Breakfast and Free Play 9:30-10 AM - Group Games 10-10:30 AM - Morning Snack 10:30-12 PM - Themed Activities 12-1 PM - Lunch 1-3 PM - Themed Activities 3-3:30 PM - Afternoon Snack 3:30-6 PM - Free Play	7-9:30 AM - Breakfast and Free Play 9:30-10 AM - Field Trip Prep 10-3 - Field Trip 3-3:30 PM - Afternoon Snack 3:30-6 PM - Free Play

Free Play – This is time given for your kids to play on their electronics with friends, or enjoy unstructured time with their peers at the various play stations around Klub.

Themed Activities – The leaders have planned various activities based on that week's themed camp. Your kids will be whisked away on an adventure every day.

Summer Hours

We've never understood why most programs adjust their summer hours. Your work hours don't change, and neither does your need for child care. Our program hours are 7am-6pm year round.

Themed Weeks

This year, we've got 18 exciting camps planned for your kids to participate in! Here is what they have to look forward to:

	<u>Choice #1</u>	<u>Choice #2</u>
July 2-5	<u>Adventurers Anonymous</u> Life is too exciting to stay inside! Every day we'll explore something nearby.	<u>Fear Factor</u> Let's push our limits as we taste weird food, brave scary activities, and more!
July 8-12	<u>Wild and Western</u> Experience life as it was before the car. Saddle up!	<u>Space, The Final Frontier</u> Explore life beyond the clouds. It's massive out there!
July 15-19	<u>They Shoot, They Score!</u> This week is all about dribbling, shooting, and scoring.	<u>Superhero City</u> Let's learn what super powers your kids have.
July 22-26	<u>Magic Camp</u> Your kids will be making things disappear before your very eyes! And we're not just talking money.	<u>Under the Circus Tent</u> We'll learn to unicycle, juggle, and twist balloon animals. They'll even come home with juggling balls!
July 29-Aug 2	<u>Lights, Camera, Action!</u> Your child will release their inner Spielberg this week. They'll even go home with their own movie!	<u>Mad Scientists</u> It's time to play with fire and explode things. (Don't tell your parents!)
Aug 6-9	<u>Nerf War</u> Your kids will definitely be target practice this week.	<u>Splash Zone</u> If your child comes home dry, we didn't do our job.
Aug 12-16	<u>Pirate Parlay</u> Shiver me timbers, they'll do everything short of walking the plank.	<u>Ninja Warriors</u> Fast, nimble, silent, after this week you won't even know when they're home.
Aug 19-23	<u>Author's Antics</u> It's time we unlocked your child's inner Shakespeare.	<u>Chef Central</u> After this week it's their turn to cook supper!
Aug 26-30	<u>Spies Unite</u> Secret missions, codes, and sneak attacks. They'll be masters of the sneak!	<u>Jurassic World</u> Do you know which dinosaur a Centrosaurus is? Your kids will by Friday.

Field Trips

We are going on 18 exciting field trips this summer! Your children will have fun exploring many different areas of our vibrant city.

The field trips happen every Tuesday and Thursday. We leave at 10am and will return by 3pm. Transportation will be provided by Willco Transportation.

Here is a list of the field trips we will be going on (some field trips could change depending on weather and other factors, as noted on the waiver):

A signed waiver is mandatory to attend these events. There will be no supervision at the center during these times, so it is mandatory that any child who is attending our summer camp accompany the group on these trips.

Electronics

Your children are welcome to bring their electronics during the summer. There is designated time at the very beginning and again at the very end of each day for them to play on them with friends. During the day we have so many activities planned that the expectation is for all electronics to be put away, out of sight. During field trips, all electronics will be locked away in a secure room at the center.

What to Bring

The summer can be hot! We will be outside almost every day this summer, so please help your child prepare for the weather. This includes:

- Backpack
- Lunch
- Sunscreen
- Hat
- Water Bottle
- Bug Spray
- Swim Suit
- Towel
- Extra Shirt (just in case)

Lunches

Klub provides healthy breakfast and afternoon snack choices every day. We do not provide lunch. Please send your child with enough lunch to get them through the hot, busy days we have planned.

Klub Policies

This Summer Handbook is by no means a complete collection of Klub's policies. Please visit www.klubcare.com/handbook to download a copy of our Parent Handbook for a thorough collection of Klub's policies and procedures.
