Themed Activities – The leaders have planned various activities based on that week's themed camp. Your kids will be whisked away on an adventure every day.

Summer Hours

We've never understood why most programs adjust their summer hours. Your work hours don't change, and neither does your need for child care. Our program hours are 7am-6pm year round.

Themed Weeks

We've got 18 exciting camps planned for your kids to participate in! Here is what they have to look forward to:

	<u>Choice #1</u>	<u>Choice #2</u>
Jun 29-Jul 3	<u>Space, The Final Frontier</u> Explore life beyond the clouds. It's massive out there!	<u>Fear Factor</u> Let's push our limits as we taste weird food, brave scary activities, and explore!
July 6-10	<u>Wild and Western</u> Experience life as it was before the car. Saddle up!	<u>Spies Unite</u> Secret missions, codes, and sneak attacks. They'll be masters of the sneak!
July 13-17	<u>Around the World</u> 80 days? That's nothing, we're going to get it done in 5!	<u>Superhero City</u> Let's learn what super powers your kids have.
July 20-24	<u>Lights, Camera, Action!</u> Your child will release their inner Spielberg this week.	<u>Once Upon a Time</u> Wolves, witches, princes and magic. We're bringing fairy tales to life!
July 27-31	<u>Olympic Torch</u> We're getting into the Olympic spirit! Let's see how many events your kids can take home gold in.	<u>Magicians Unite</u> We'll learn to perform magic, juggle, and twist balloon animals. They'll even come home with juggling balls!
Aug 3-7	<u>Nerf War</u> Your kids will definitely be target practice this week.	<u>Splash Zone</u> If your child comes home dry, we didn't do our job.
Aug 10-14	<u>Medieval Mania</u> Dragons, chivalry, and royalty. We'll defend the castle, seige the enemy, and stand for truth.	<u>Ninja VS Pirates</u> Who will win this epic battle, the swashbucklers of the sea, or the dark and mysterious?

Electronics

Your children are welcome to bring their electronics during the summer. There is designated time at the very beginning and again at the very end of each day for them to play on them with friends. During the day we have so many activities planned that the expectation is for all electronics to be put away, out of sight. During field trips, all electronics will be locked away in a secure room at the center.

What to Bring

The summer can be hot! We will be outside almost every day this summer, so please help your child prepare for the weather. This includes:

- Backpack
- Lunch
- Sunscreen
- Hat
- Water Bottle
- Bug Spray
- Swim Suit
- Towel
- Extra Shirt (just in case)

Lunches

Klub provides healthy breakfast and afternoon snack choices every day. We do not provide lunch. Please send your child with enough lunch to get them through the hot, busy days we have planned.

Klub Policies

This Summer Handbook is by no means a complete collection of Klub's policies. Please visit www.klubcare.com/handbook to download a copy of our Parent Handbook for a thorough collection of Klub's policies and procedures.
